CAREER SUMMARY

A results-driven Computer Science graduate with a strong foundation in machine learning, web development, and data analysis. Adept at building innovative web applications, working with databases, and leveraging AI for problem-solving. Proficient in Python, JavaScript, and modern frameworks, with hands-on experience in computer vision and deep learning. Passionate about developing scalable solutions and contributing to technology-driven advancements.

AREAS OF EXPERTISE

- **Web Development (React.js, PHP, HTML, CSS, JavaScript):** Skilled in building dynamic and responsive web applications using modern frontend and backend technologies.
- **Machine Learning & Deep Learning (TensorFlow, PyTorch):** Experienced in developing AI models for predictive analytics, pattern recognition, and intelligent automation.
- **Database Management (MySQL, MongoDB):** Proficient in designing, managing, and optimizing relational and NoSQL databases for efficient data storage, retrieval, and performance tuning.
- **Computer Vision (Object Detection, Image Augmentation):** Expertise in applying image processing techniques, object recognition, and annotation tools for real-world applications in AI and automation.
- **Data Analysis & Visualization (NumPy, Pandas, Matplotlib):** Strong analytical skills in processing, interpreting, and visualizing complex datasets to derive meaningful insights and data-driven solutions.
- **Version Control & Deployment (Git, GitHub, Linux/Ubuntu):** Experienced in managing code repositories, collaborating on projects, and deploying applications in Linux environments using version control systems.

PROFESSIONAL EXPERIENCE

Web Development Intern
Prodigy InfoTech | **Location:** Mumbai, Maharashtra (Remote) *Oct 2024 – Nov 2024*

- Successfully built and deployed multiple interactive web pages within project deadlines.
- Collaborated with senior developers to design innovative user interfaces and enhance website functionality.
- Integrated APIs and databases (MySQL, MongoDB) to create dynamic and scalable web solutions.
- Gained hands-on experience in real-world web application development and cross-functional collaboration.

EDUCATION

Bachelor of Science (BSc) in Computer Science & Engineering (CSE) 2024
BRAC University
CGPA:3.40/4.00

Higher Secondary Certificate (HSC)in Science 2019
Ishwardi Government College
GPA: 4.67/5.00

Secondary School Certificate (SSC) in Science 2017
Ikhshu Goveshwana High School
GPA: 5.00/5.00

PROJECTS

- **Flight Reservation System** - Developed a secure **PHP**-based Flight Reservation System with a user-friendly interface for searching, booking, and managing flights.
- **Bracu Knowledge Nexus** - Developed Bracu Knowledge Nexus, a **MERN** stack platform for course reviews, skill tracking, and enhanced learning insights.
- **StopWatch** - Created a dynamic stopwatch with **HTML, CSS,** and **JavaScript,** featuring lap tracking and smooth start, pause, and reset functions.
- **Tic Tac Toe** - Developed an interactive **React** Tic Tac Toe game with win/draw detection, animations, sound effects, and confetti for an engaging user experience.
- **Portfolio** - Developed a responsive personal portfolio using **HTML**, **CSS**, and **JavaScript** featuring smooth navigation, project showcases, and interactive UI elements to highlight skills and achievements.

PUBLICATION

- **Enhancing Infrastructure Detection Using Drone Imagery: A Comparative Analysis Using Machine Learning Models with a Custom Bangladesh-Based Dataset for Improved Urban Planning** - **IEEE**
- **Pattern Recognition in Disaster Response: Leveraging Machine Learning for Twitter Analysis** - **SPRINGER NATURE**

SOFT SKILLS

- Strong problem-solving and analytical abilities
- Critical thinker and researcher
- Effective communication and collaboration skills
- Leadership and project management capabilities
- Adaptability and quick learning

LANGUAGES

Bangla (Native) **English** (Fluent)

TRAINING, CERTIFICATIONS, AND COURSES

Training Programs:

- **IELTS – Mentors' (3.5 months)**
- **Spoken & Phonetics – Mentors' (2 months)**
- **Fundamentals of Grammar & Writing – Mentors' (2 months)**

Certifications & Courses:

- **LinkedIn Marketing Solutions Fundamentals – LinkedIn (2024)**
- **Certificate of Participation at ICECE 2024 – BUET (2024)**
